Though the G O governing the grant of these scholarships allows the concession in "very special cases the ~~concession~~ has not apparently hitherto been ~~refused~~ ~~to be made~~ in any case. It is a matter for consideration whether in view of the hardship represented by the applicant, the repeated recommendation of the Supdt, and the provision that exists in the rules, the G O declaring the concession may not be reconsidered, & the sanction accorded to the extent recommended by the Inspr Genl

SIR

With reference to Government order No. 8946 / Edn 185-09-6 dated 6th April 1910 declining to grant to Mr. Paul Channappa a portion of his pay during the course of his training in the L T College, I have the honour to submit a copy of his letter dated the 25th April last forwarded by the Principal of the College and to recommend his case for favourable consideration of Government on the ground that the scholarship of Rs. 25/- is inadequate to pay his expenses in Madras and at the same time support his family in Bangalore.

GPI—1500—9-6-09

Since the passing of the Government order above cited, the man who is acting for Mr. Paul Chinnappa has been given an acting allowance of Rs. 5/-, so that Rs. 30/- has been utilised altogether and Rs. 16 is available out of this pay which I recommend may be given to Mr. Chinnappa.

I have the honour to be,

Sir,

Your most obedient servant,

J Wen

Dear Sir

I beg to place the following petition before you and pray for a kind consideration of my claims

I was an assistant master in the Wesleyan and London Mission High Schools for over 4 years on a salary of Rs 75 per month. This position I resigned in order to get an Assistant Masters' place in the Government High School, Bangalore on Rs 46 a month, which appointment I secured on the 26th Feb 1909

Though my orders said that I was to be on probation until further orders yet Rao Bahadur was kind enough to place me on the permanent Schedule of Establishment and promised me that he would confirm me at the end of 6 months. Accordingly I

published for Confirmation in April 1909 to which I got no reply, but was told in person that I would be confirmed along with the School at the end of the year 1909

Towards the end of the year 1909 you were kind enough to grant me a Scholarship of Rs 25- to enable me to undergo training this year in the Teachers' College Saidapet which I joined on the 17th Jan 1910 On the 10th of Feb 1910, I put in my application for a moiety of my salary namely Rs 21, which remained in my Salary after my substitute - my own brother - was paid Rs 25- per month for the following reasons -

1) Every teacher in Mysore Govt Service, getting a Salary over Rs 25- a month who has been for training has had a moiety of his salary granted to him

2) Even those teachers who were on probation during their training have had their appointment confirmed while under training and given a portion of their salary

3) Without this portion of my salary it is utterly impossible for me to live in the Saidapet College and support my wife and

Children and other dependents on me elsewhere.

But to my great surprise and disappointment by the Government order No $\frac{8946}{\text{Edn 185-09-6}}$ dated 6th April 1910, Communicated to me by your office on the 9th April 1910, says that the Government decline to grant me the portion of my Salary I applied for, on the ground that I do not hold a substantive appointment

I beg to state that because, first, I was put on the permanent Schedule of Establishment of the Govt High School, Bangalore and secondly I was promised to be confirmed at the end of 6 months' probation or at least at the end of the year 1909 when the whole school staff was to be confirmed, I was led to believe that I would, as a matter of course, be granted a moiety of my salary and hence accepted your kind offer of the Scholarship If I had the least cause to doubt that I would not be allowed a portion of my Salary, I should not have desired undergoing training this year

I therefore pray that you may be pleased to move the Government to reconsider my petition and confirm me for these further reasons that I have put in over 4 years of service in teaching in Mission Institutions, that I have taught in the Government

High School Bangalore to the satisfaction of my Head Master and lastly that I have been undertraining in the Teachers College, and thus enable me to get a moiety of my Salary namely Rs 21 or if both of these are impossible to permit me to state that sheer necessities of life Compel me to beg you to allow me to come back and rejoin my duty at the Govt High School, Bangalore, though I would have very gladly Continued under training in Spite of adverse Circumstances, if I had not got to support my wife and Children and other dependents on me

I earnestly beg you to be pleased to recommend my Case to the Government as a Special one, and enable me to Continue under training

Trusting that my prayer would be granted,

I beg to remain

Dear Sir

your most obedient & humble Servant

(Sd) S Paul Chinnappa.
